

DEATHS DUE TO CRIMINAL NEGLIGENCE

THIS IS CHARGE OF LIEUTENANT EVERSOLE BEFORE COMMISSION

Alleges Thirteen Men Killed In Air Mail Services Due To Ob- solete Types And Poor Condi- tion Of Ships--Either Fly Or Lose Jobs Was Order.

(By The Associated Press)
CHICAGO, May 13.—Specific charges that thirteen men have been killed in the air mail service because of what he termed "gross mismanagement, inefficiency and criminal negligence by officials" were made today by Lieutenant C. C. Eversole in testimony presented to the government today thru a federal commission which has been conducting a secret investigation of air mail conditions.

Lieutenant Eversole was discharged from the air mail service Tuesday, the day after his first testimony was given. Committee members today said they had appealed to Washington for his reinstatement.

Included in the evidence were affidavits from several pilots and mechanics, all of which confirmed Lieutenant Eversole's charges and the mute evidence of a statement written by Pilot J. P. Christenson previous to his death in a fall at Cleveland a few weeks ago. Christenson is one of the men whose death Lieutenant Eversole lays to alleged negligence by air mail officials.

The transcript of Eversole's testimony, briefly summarized, was known yesterday that air mail officials here were drunk while on duty and staged wild parties which incapacitated them for duty. It dealt chiefly with deaths and accidents alleged to have been due to inefficiency by the men in charge and with remedial recommendations.

The thirteen men killed and the reasons ascribed by Eversole's evidence for their deaths follow:

Carl Smith, pilot, killed in fall at Elizabethton, N. J., said to have been sent into air mail service with inefficient training and to have been flying an obsolete type of Wright plane in civilian life and assigned by mail officials to a DeHavilland four, a type of ship which he knew nothing.

Pilot Stoner, said to have been forced to fly in a dense fog against his judgment and that of other pilots. Hit a tree at Goshen, Ind. Pilot Bryan McMullin, killed in a fall at Batavia, Ill. Had fallen from a ship previously and was ordered by physicians not to fly again until completely well. Was forced to resume duty by local officials, according to the testimony. He was sent up in bad flying weather, it is alleged.

Pilot Sherlock, killed when plane hit smokestack near landing field at Newark, N. J. Eversole's affidavits alleged the field was too small for safe landing by the type of ship. Sherlock was compelled to fly, that approaches were allowed to remain obstructed despite numerous protests by pilots, and that finally it became necessary to use low speed ships in order to make a safe landing. Compelled to fly Defective Craft.

Pilot Max Miller and Mechanic Pierson killed in fall at Morristown, N. J. were flying Junker type of German built all-metal plane having numerous gas leaks and which had been ordered to New York for repairs. They were alleged to have been compelled to take the machine up.

Pilots Stevens and Thomas were forced to fly a plane which had the same defects as that in which Miller and Pierson fell and no attempt was made to remedy these defects despite the deaths of Miller and Pierson. They were killed in a fall in Ohio alleged to have been due to the same defects which caused the previous fall.

Pilots Rowe, Carroll and Mechanic Hill, killed in Junker plane at Lacrosse, Wis. Evidence presented by Eversole, including affidavits from witnesses, alleged that the plane was flying low and was made to Washington. It was alleged that a crew of mechanics, all of whom were intoxicated, overhauled the ship at the Chicago field and made certain mechanical changes which were never tested before the ship was put into duty.

Pilot Stewart killed in a fall near Minneapolis. Officials said Stewart was subject to fainting spells and undoubtedly fainted in the ship, losing control. Eversole's evidence contained affidavits from witnesses that the ship crashed to the ground in a tail spin whereas the official report was said to have stated that machine glided to the ground indicating the crash was due to the fault of the pilot and not of faulty construction or negligence by field officials.

MOUNTAIN MEN ASKED TO CEASE FIRING ON TOWNS

State Emissary Ap- proaches Stronghold Under Truce Flag

(By The Associated Press)
Williamson, May 13.—An emissary of the state forces taking part in the battle which has raged for two days in the Mingo mountains along the river, late tonight approached the stronghold of a leader of the mountaineers under a flag of truce, and asked that the mountain men cease firing into villages in this region.

A leader of the attackers replied that they would accept a truce only when the firing from the Kentucky side of the river had ceased.

This information was received from Chief Deputy Sheriff Hall, who sent one of his men into the hills to confer with the attacking party.

Reports at state police headquarters told of a general exodus of women and children from the embattled mining towns. The few remaining inhabitants cuddled in lightless homes and tent colonies in the darkness to find safety from the hail of lead that has been poured out at intervals all day.

Only the most meagre details of today's fighting had reached Williamson tonight over crippled telephone lines and from the lips of arrivals from the zone of firing, but from the conflicting mass of reports it seemed certain that yesterday's death toll of two had been increased to at least six while acceptance of all the reports would place the killed at from 10 to 15. Two men are known to have been killed at McCarr, at the eastern end of the troubled area. At Matewan one and possibly two have been killed.

Fierce fighting was reported during the day from all the towns that figured in yesterday's attack. Rawl, Merriam, Spring, Matewan and McCarr, while new attacks broke out late today at Gates, near Matewan and at the New Howard coal company mines nearby. A score or more non-union miners were reported to be hemmed in by the fire at the Howard mines and their fate had not been learned tonight.

Captain J. R. Brockus in command of the state police, who led an attempted flanking expedition into the mountain yesterday but lost his quarry, went to Sprigg late today on a special train with 15 men and again started out on a similar maneuver. No word has been received from him.

Charles Clarrahan, postal inspector, will send the evidence to Washington. All affidavits presented by Eversole were sworn to by the makers and the correspondence between Eversole and Will Hays and various congressmen are included.

FOUR SOLDIERS DIE IN POWDER BLAST

LAWTON, Okla., May 13.—Four enlisted men of the Seventh ordnance depot detachment at Fort Sill, Okla., were instantly killed late today when 500 pounds of black gunpowder condemned and ordered destroyed, exploded prematurely. The men literally were blown to pieces. Search continuing until darkness resulted in the finding only of fragments of the bodies.

The dead are: Private Luther D. Gee, 21, Snyder, Okla. Private James W. Talley, 26, father, Charles Talley, Vulcan, Mo.

Private David C. Monroe, 20, Royal J. Clark, 20; mother, Mrs. Laura Clark, lives on rural No. 4, Cedarville, Iowa.

MINING COMPANY REDUCES WAGES

Ironwood, Mich., May 13.—A twenty per cent reduction in wages affecting about 2,500 day laborers and contract workers employed by the Oliver Mining company to take effect May 16 was announced today by officials.

Chicago, May 13.—Frank Plano was reintroduced today on a charge of having shot and killed his son because the boy associated with gangsters. A previous indictment was quashed because of the omission of the abbreviation "Jr." after the name of the son.

PERSHING WILL BECOME ACTUAL HEAD OF ARMY

Will Relieve General March July 1, Secre- tary Weeks Says

(By The Associated Press)
WASHINGTON, May 13.—General Pershing will become chief of the general staff and the actual head of the army July 1, Secretary Weeks announced today. On that date he will relieve Major General Peyton C. March, the present chief of staff.

In addition to his duties, General Pershing will remain head of the general headquarters or war staff of the army, a post recently created for him. He will have as assistant chief of the general staff his chief of staff in France, Major General James G. Harbord, who will relieve Major General William M. Wright, the present executive assistant.

General Pershing will be relieved of all administrative and detail duties by General Harbord and will be free to direct the larger aspects of the military establishment.

Secretary Weeks made it plain that General Pershing will be the real military head of the army. He said the general would be "charged with the organization and training of all the elements of the national guard and organized forces." General Harbord, Mr. Weeks said, will have much broader powers than those formerly exercised by the assistant chief of staff.

The plan contemplates that in time of active military operations General Pershing would automatically assume active direction of operations in the field. General Harbord would similarly move up to the post of chief of staff.

General Pershing's promotion to the post of chief of staff marks the final stage of his sensational rise in the army.

Major General Harbord has come up from the bottom of the ladder and is known as "the friend of the doughboy."

RAILROAD DEFICIT SERIOUS PROBLEM

Cummins Says It May Threaten Permanency of Private Owner- ship

Washington, May 13.—Deficits in present railroad operations, and the increase in claims against the treasury arising from war time government control, "threaten the permanency of private ownership," in transportation, Chairman Cummins of the senate interstate commerce committee, said today during cross examination of Julius Kruttschnitt, chairman of the board of the Southern Pacific, in the general investigation of the railroad situation.

From railroad administration accounts, Senator Cummins said, he concluded that the government placed the total liability to the railroad corporations at \$1,200,000,000 while the road themselves claimed a total of \$2,500,000,000. The final sum to be taken from the government in settlement, he added, very probably would be around \$1,800,000,000.

Mr. Kruttschnitt said the growing claims for cash under the guarantee arose out of the under maintenance of railroad equipment and road beds during the period of government control.

One reason for delay in getting expenses down Kruttschnitt said, was tardiness of the railroad law board in deciding the roads' application for lower wage scales.

Railroads are losing between \$500,000 and \$600,000 a day while waiting for the board's decision on wages for common laborer," he declared.

FAIL TO KEEP REPORTERS OUT

Rockford, Ill., May 13.—Declaring they represented the people of the city and saying they would submit to arrest before stopping in their efforts to gain admission to a special meeting of the city council here tonight, three newspaper men defied the orders of Mayor Hallstrom and entered the council chamber.

The mayor had stationed policemen at the doors to stop spectators from entering the room to hear the discussion over the use of alleged inferior brick at the \$500,000 waterworks pumping station being built here.

The corporation counsel advised the mayor he could not keep newspaper men from the council chambers and at his suggestion the police were dismissed.

ACCUSED WOMAN DENIES THAT SHE GOT ANY INSURANCE

Mrs. Southard Makes State- ment to This Effect in Honolulu

(By The Associated Press)
HONOLULU, May 13.—Mrs. Paul V. Southard, held in jail on a charge of murdering her fourth husband, Edward Meyer, at Pocatello, Idaho, denied today that she had collected any insurance on the lives of her former husbands. Chief of Detectives McDuffie said he asked the woman for a list of her former husbands and that she gave him the names of Robert C. Dooley, William McHaffie and Meyer, omitting the name of Harlan Lewis, said to have been her third husband. Mr. McDuffie said he asked Mrs. Southard if that was all and she answered, "yes, that's all."

A search of Mrs. Southard's effects, according to McDuffie has revealed an insurance application form of a leading insurance company. Authorities have received cables advising from Twin Falls, Idaho, to the effect that Deputy Sheriff Ormsby was on his way to Honolulu to return Mrs. Southard to Idaho for trial. Extraordinary precautions have been taken to forestall any possible attempt by Mrs. Southard to take her life.

Mr. Southard offered today to pay her passage and the passage of an accompanying officer to Twin Falls, Idaho, for trial at once, in order to get her out of jail as soon as possible. Southard said his wife's health was so poor that he "feared for the results" if she was confined to her cell much longer.

Southard said today that he had married before and was divorced.

LABOR WILL NOT GIVE SUPPORT TO RUSSIAN SOVIET

Federation's Annual Report Issues Warning

(By The Associated Press)
Cincinnati, May 13.—Organized labor in the United States must not take action which would be construed as an assistance to, or approval of the soviet government of Russia, the executive council of the American Federation of Labor warned in its annual report, completed today.

The council condemns the soviet government as not being representative of the Russian people, and declares it to be antagonistic to the union labor movement.

Criticism of radicals. The report is understood to criticize the socialist party for its alleged support of the communists and other radical elements in this country.

The council, it was learned, recommended the use of publicity to stop profiteering and bring prices down to a normal level. The council urges that a governmental agency publish at intervals the cost of stable articles that form the basis of living costs. Under this plan the public would be kept informed as to the margin of profit that is being made by the retailer and wholesaler.

The non-partisan program of the federation during the last year is declared to have been a success in the council's report, which recommends that this work be continued.

The membership report of the federation, it is understood, will show a large increase during the year of 1920, bringing the total membership to near 4,500,000.

INDEPENDENTS MADE PARTIES IN RULING

Chicago, May 13.—Eleven independent railway employees' organizations were made parties to the railroad labor's decisions of April 15, abrogating the national agreements, in an addendum issued today by the board. The eleven organizations are not affiliated with the unions which have made the major fight in the rules hearing.

MAIL AIRPLANE AHEAD OF SCHEDULE

Salt Lake, May 13.—Airplane mail which left North Platte, Neb., at 7:30 o'clock this morning, reached Salt Lake at 2:40 o'clock this afternoon, two hours and five minutes ahead of schedule.

Stops for transfers from plane were made at Cheyenne and Rock Springs, Wyo.

KRAMER TELLS OF TROUBLES PROHIBITION OFFICIALS HAVE

Most Serious One is Prevention of Sales of Alcohol

(By The Associated Press)
WASHINGTON, May 13.—A serious problem confronts federal prohibition enforcement officials in the prevention of sales of alcohol, ostensibly for medicinal and industrial purposes, which later are diverted into illicit channels. Prohibition Commissioner Kramer told the house judiciary committee today. The commissioner declared federal agents had established something like good order over the illegal whisky traffic but that the new task was rapidly developing into one of magnitude.

Mr. Kramer said it clear that he was speaking for himself and not as a representative of the treasury department.

He said that there was one "beauty" about the law which Mr. Volstead has proposed to supplement his first dry code. The measure, he said, goes to the source of the evil, and makes positive and definite the powers of federal officials in enforcement work. The ruling of former Attorney General Palmer, permitting prescription of beer as a medicine has upset the bureau's policy with respect to beer, Mr. Kramer said.

Mr. Kramer proposed legislation which would cut off imports and manufacturing of whisky entirely for a time so that consumption would catch up with production. He urged that exports to Canada and Mexico should be stopped, for all that goes over the border finds its way back in some fashion or other.

Questioned on home brew, Mr. Kramer laughingly said the novelty had begun to wear off and that the brewers were gradually diminishing.

COMMITTEE HEARS OF NEW COMBINE

Employers' Building Material Com- pany Hit by Witnesses—Plas- tering Contractor and Union Work Together.

Chicago, May 13.—A new organization, the Employers' Building Material Company, dealing in sand, gravel, lime, cement and prepared plaster, was hit today by witnesses before the Dalley joint legislative commission which is investigating building conditions in Chicago.

Witnesses asserted the Employing Plasterers' Company was a 100 per cent organization with every plastering contractor in Chicago a member. An agreement, it was said, was in effect between the labor union and the contractors' organization to bar outside competition.

The union men, it was declared, agreed to work only for members of the organization and the organization agreed to maintain a "closed shop."

DEMAND IS MADE FOR DISARMAMENT

PHILADELPHIA, May 13.—An attack upon the military aspirations of the leading nations of the world and a strong demand for reduction of armaments were made today and tonight by one Democratic senator and three Republican representatives, who spoke before the twenty-fifth annual meeting of the American Academy of Political and Social Science. They differed only in the methods advocated to bring about disarmament.

Senator Thomas J. Walsh of Montana, deplored the military race between the United States, Great Britain and Japan, and declared congress should call a conference of nations to discuss disarmament. He mildly criticized President Harding for not encouraging the adoption of such a resolution by congress.

Representative Mondell of Wyoming, majority leader in the house, made no mention of how the plan could be brought about, saying:

"No one can ever guess what the senate may do, but I gather the time is now ripe for calling such a conference."

IDaho BANK HAS CLOSED DOORS

Pocatello, Idaho, May 13.—The Bannock National Bank closed its doors today by order of the directors, according to P. L. Machen, supervising national bank examiner for the twelfth federal reserve district. The bank's resources are given as \$1,555,640 with individual deposits amounting to \$535,107.

Stops for transfers from plane were made at Cheyenne and Rock Springs, Wyo.

MAY FORCE CHICAGO BOARD OF TRADE TO GET OUT OF BUSINESS

Passage of the Tincher Bill May Have This Result Says President Griffin of Board— Hopes to Soon See End of Boot Strap Legislation—Says That It Will Not Benefit

(By The Associated Press)
CHICAGO, May 13.—The Chicago Board of trade, the world's greatest grain market, may withdraw from business if the Tincher bill to regulate dealings in grain futures, passed today by the lower house of congress, becomes a law, Joseph P. Griffin, president, declared in a statement tonight.

"While I do not speak with authority for any exchange excepting the Chicago board of trade," the statement said, "it is my judgment that the grain exchanges will voluntarily withdraw from, rather than submit to, the intolerable unfair and arbitrary features of this bill. The exchanges do not protest regulation and if there be of evil in their business, they have no objection to legislation if they themselves fail to eradicate such evil."

"The bill, as originally drafted, met with the approval of representatives of the farmers, millers, country and terminal grain dealers and the grain exchanges. This favorable expression was predicated upon the theory that the bill would be presented to congress with certain amendments which were accepted by the author of the bill as well as the house agricultural committee."

DISCUSS ATTITUDE OF PRESIDENT AS TO DISARMAMENT

Borah Says Harding Did Not Indicate Op- position to Him

(By The Associated Press)
WASHINGTON, May 13.—President Harding's attitude toward the proposal of Senator Borah for a naval disarmament conference between Great Britain, Japan and the United States was brought into question in the senate today during debate on the half billion dollar naval appropriation bill.

Senator Borah said the president had not indicated any opposition during a recent conference, while Senator Hale, Republican, Maine, who also recently discussed the Borah amendment with Mr. Harding, declared the president might action by congress unnecessary.

Because of the president's statements to him, Senator Borah said he had "paid little attention" to a published statement of Senator Poindexter, in charge of the naval bill, that the president opposed the disarmament suggestion.

Will Air Matter Further
He said he would be glad to have a statement from Senator Poindexter who was not in the chamber at the time, and then he would relate what the president had told him on the subject. That the matter would be aired further during debate, possibly tomorrow, was indicated.

The appropriation bill was at a complete standstill all day, while broadsides were fired by advocates of the Borah proposal. Addresses in favor of the disarmament amendment were made by Senators Borah, Kenyon, Republican, Iowa, and King, Democrat, Utah.

Senator Borah denied that his amendment would constitute a "direction" to the president. He emphasized that it merely would "request" the president to have representatives of Great Britain and Japan confer with American representatives on disarmament.

IN DIFFICULT POSITION

Certain members of the Illinois legislature are in especially hard times these days. The vote against the Lantz bill will incur the displeasure of their farmer friends, who are organized into the state agricultural association and farm bureaus. If they favor the bill they have the bankers, business

men and financial interests generally ready to take them over the coals.

Unhappily for them, there seems to be no middle ground.

UNDERGROUND WIRES
The suggestion has been well made that Jacksonville streets would be vastly improved if all wires were put under ground. There is no denying this statement, and it is said that the law gives the city authority to make such a requirement. However, to be consistent Jacksonville would be compelled to put its own wires in conduits, and where would the money come from?

WORKING IN THE USUAL WAY

Prices for farm products are far below where they belong if investment and production costs are taken into account. But that fact isn't interfering with "spring plowing," and the farm work is moving along in Morgan county just as usual. The farmers have faith that before very long an adjustment will come and prices again take on their proper relationship.

MEN AND BOYS

That was a unique conference last night between business men and boys of the Hi-Y club. The purpose of the self-analysis campaign is to aid boys in preparing for their life work.

Possibly the ideas of some of the boys now 15 to 18 years of age with reference to vocations may change within the next two or three years, but there can be no doubt about the value of more intimate relations between boys and adult men friends genuinely interested in them. Incidentally the adults will receive an equal or greater amount of benefit.

COMMUNITY RESPONSIBILITIES

The Decatur Review is urging Lloyd Snierly, formerly of this city, as a candidate for member of the board of education. He has the endorsement of the Parent-Teachers association and various civic bodies. Mr. Snierly is referred to as one of the most prominent and successful business men of Decatur and the public activities in which he is engaged are enumerated. Concluding is the following paragraph:

"If Mr. Snierly is elected he will be a real force on the board of education. He takes his community responsibilities seriously. He does not slight them."

The sentences sum up quite well the present effort in Jacksonville.

INSTALL OFFICERS OF STUDENT ASSOCIATION

I. W. C. Officers-Elect for Next Year Installed Friday.

The annual installation of officers of the Students' association of the Illinois Woman's college was held yesterday morning during the chapel exercises. Following are the officers-elect for next year, 1921.

President—Harriet Keys.
Vice President—Glady's Laughlin.
Secretary—Florence Weber.
Treasurer—Grace Styles.

The retiring president, Miss Mary Bishop, made a short address before administering the oath of office. She emphasized the individual responsibility of each girl as to loyalty to the Student's association and the college. Miss Keys in accepting the office spoke of the meaning of student government as showing the trust which the faculty and trustees of the college have placed in the students.

Dr. Harker then spoke of the growth and importance of student government at the college. Student government was organized at the college in 1913-14 and has continued with increasing success up to the present time. It has been the experience in the local college that student government promotes individual and community responsibility and college spirit and loyalty among the students.

Presidents of other organizations recognized yesterday were: Janette Wallace, Y. W. C. A. president; Margaret Hamilton, president of Athletic association; Ada Crofelter, editor of "College Green" and Helena Betcher, editor of the Ilwoco.

MRS. HENNINGER IS TAKEN BY DEATH

Wife of Former Superintendent of Schools Here Dies in Bloomington.

Miss Zoe Tyrrell yesterday received a telegram telling of the death of Mrs. J. W. Henninger at her home in Bloomington. Many Jacksonville people will remember Mrs. Henninger as she was resident here while her husband, the late Dr. J. W. Henninger, was superintendent of schools.

Some facts about Mrs. Henninger's life are taken from the Bloomington Pantagraph:

Clara Kimlin Henninger, wife of the late John W. Henninger, died at her home at 1110 North Prairie street, after a lingering illness. She was the daughter of Dr. and Mrs. Thomas Kimlin of Quincy, Ill.

She was born February 7, 1868, at Lindley, Mo. Her marriage to Mr. Henninger took place September 2, 1891. Of this marriage three children were born, two of whom, Ellen Louise and Julia Kimlin, survive; the third, Thomas John, having preceded his mother in death six weeks ago.

Mrs. Henninger was an earnest Christian and all her life was actively engaged in church work being a member of Grace Methodist Episcopal church at the time of her death.

Besides her two daughters she is survived by her mother, Mrs. Thomas Kimlin, and the following brothers and sisters: Walter H. Kimlin, of Denver, Colo.; Arthur Kimlin, of St. Louis, Mo.; Alfred E. Kimlin, of Quincy, Ill.; Miss Julia Kimlin, of Chicago; Mrs. Charles K. Carpenter, of Chicago; Mrs. William M. C. Bryan of St. Louis, Mo., and Mrs. Thomas H. Barger of Normal.

GRAND OPERA HOUSE TO CLOSE MAY 30TH

Frank W. Fischer of LaSalle, who is the leasee of the Grand Opera house, has announced that the theatre will close with the expiration of his lease May 30. Mr. Fischer, who is now operating theatres in eleven cities, says that where Sunday shows are not permitted that the box office receipts are not satisfactory. H. H. Eschbach who has been resident manager of the theatre, is to be transferred to Madison, Wis. Mr. Fischer has given Jacksonville an excellent line of attractions and residents generally will be glad if he later re-leases the house.

RUNAWAY BOYS HELD BY THE POLICE

Captain Elliott and other members of the night police force located four runaway boys last night just as they were preparing to go into camp near the Rount street subway. The boys, ranging in age from 10 to 14 years, were from Greenville and local police had been notified to watch for them.

The boys are Carlton Hoffman, Clyde Henderson, Ralph White and George Orin-Haud. The father of one of the boys, a conductor on the Illinois Central railroad, is coming today to escort the quartet home. The lads would give no explanation to local police other than that they were tired of staying in the home town.

BIG CIGAR FACTORY IS SOON TO OPEN

McCarthy-Gebert Company Will Put Men at Work the Coming Week.

It will be good news to all Jacksonville to know that the McCarthy-Gebert cigar factory is soon to resume operations. The strippers will begin work Monday and the cigarmakers will be back at their benches Wednesday. Because orders are still somewhat restricted, a limit of 1,000 cigars a week will be made for each cigarmaker.

The shutdown which came several weeks ago, was the result of the general slump in business and the accumulation of stock. Most of this surplus has now been disposed of and new orders are coming in a fairly satisfactory way.

HI Y CLUB BOYS MET WITH ADULTS

Self-Analysis Campaign Closed With Banquet Friday Night Christian Church.

Fifteen local business men met with the Hi Y club members at a banquet at the Christian church last night. This was one of the features in the self-analysis campaign which representatives of the Y. M. C. A. arranged. Some time since members of the Hi Y club were asked to fill out questionnaires in which many interesting facts about themselves and their ambitions are detailed. The questionnaires were then checked over with care by Y. M. C. A. officers and were filed with certain recommendations.

Each youth who signified his interest in some special line of business or profession was assigned to a business or professional man for personal interview. These written reports based on these interviews were made by the adults and filed with the Y. M. C. A. secretary. It is expected that the older citizens will keep in touch with the young men assigned to them and aid them in all ways possible.

The men who were to act as consultants met at the church at 5:30 o'clock and listened to a brief explanation of the plan made by A. L. Mayer, district secretary of the Y. M. C. A. who was introduced by local Secretary J. S. Findley.

An excellent supper was served by the young women of the church. Afterward Henry J. Rodgers presided and gave some further explanation of the plan and a brief address was made by A. J. Davis, boys' secretary of Springfield Y. M. C. A. Afterward came the separate conferences.

It is hoped as a result of this self-analysis campaign that many boys may be able to "find" themselves and be directed along lines of study and effort which will be helpful to them in the life work that they follow later on.

A SMALL COLLISION.

Yesterday afternoon there was a small mix-up on West Court street. An auto stood in front of the east part of Joy Brothers' garage, east of the main entrance. Some one started to run a car out, slowly and carefully as the coast seemed to be clear but just at that moment a car driven westward came up and the car from the garage was stopped as the speed with which it was run was slow. Another car belonging to Denver Buck was following the first named car going west. The driver of the Buck car was unable to see the car coming from the garage soon enough but when he did he swerved to one side to avoid it and struck the rear part of the car going westward. The collision was slight but a lady in the car faintly dead away and all efforts to restore her failed and she was hurried to a doctor. They were strangers in the city.

No blame could well be attached to any one for the accident.

PLEASANT SURPRISE PARTY THURSDAY NIGHT

A pleasant surprise was given Thursday evening in honor of Mr. and Mrs. John Gillis at their home north of the city. The self invited guests brought well filled baskets. The evening was pleasantly spent with games and music, the music being furnished by the venerable John Barber and sons.

Those present were the following: Messrs. and Mesdames Tom Barber, Willard Barber and family, Henry Waltman and family, E. M. Ferreira, David Taylor, Enoch Hyde and family and John Barber, Willis Burrus, Mr. Boogs, Mrs. Robert James and daughter, Mrs. Clifford Gillis and son, Mrs. Charles Sperry and sons and Miss Alta Gillis.

We wish to thank the many friends and neighbors who assisted us so kindly during the illness and after the death of our husband and father; also for the many beautiful flowers. We wish to especially thank the Modern Woodman and those who so kindly loaned cars.

Mrs. Alfred Cockerell and family.

JACKSONVILLE MAN HAS FRENCH BRIDE

Sergeant Frank S. Maddox and French Bride Arrive in City—Young Soldier Has Spent Many Months Overseas.

Sergt. Frank S. Maddox and his French bride of a few months are guests at the home of Mr. and Mrs. H. A. Maddox on East Chambers street. After a few days they will visit Sergt. Maddox's parents, Mr. and Mrs. P. C. Maddox near Murrayville.

The marriage of this Jacksonville soldier to Mademoiselle Emilienne Audureau of Bordeaux was solemnized in Paris March 16th. Sergt. Maddox saw active service in the world war, serving in the first division under Gen. Pershing. He was with the American troops almost from the beginning but fortunately escaped injury and had no illness except from trench fever, which at one time sent him to the hospital.

After the armistice he went with the army of occupation and since the latter part of 1918 with Battery F of the 6th field artillery has been stationed near Coblenz, Germany.

The Jacksonville young man, who has now come home to stay, has many interesting experiences to relate both of the war time and of the days since according to his statement conditions today are generally prosperous in Germany and living costs are almost on the basis of the pre-war period. According to his statement soldiers of the U. S. are usually treated with great respect and consideration by the Germans.

JOHN N. WARD LIKES SOUTHERN HOME

Former Jacksonville Citizen Is Now Enthusiastic About St. Petersburg, Florida.

John N. Ward, who spent most of his life in Jacksonville, has been resident in St. Petersburg, Fla., for about two years past. While living here Mr. Ward was an enthusiastic loyal citizen and was accounted one of the substantial business men. Now that he is living in St. Petersburg he has something of the same loyalty for his southern home. That he likes the south and has faith in it is well brought out in a letter that Mr. Ward has recently written to a Jacksonville friend. He said:

"This is likely to be my future home for life and is a very enterprising town. We had more than 50,000 visitors during the winter who seemed well pleased. There are many attractions besides the wonderful climate. More than a million dollars worth of building last year, and \$237,860 permits in first nine days of this month, usually considered a quiet month in that line.

"Our town gained 245 per cent since the last census. City owns miles of water front, gas company, water works, street cars, all paying good revenues, cars 50 cents. I presume Jacksonville is putting on new life, with her improved water supply, and dollar a year Mayor, as well as many other enterprising citizens. With kindest regards to my many old friends."

I. W. C. STUDENTS PLEDGE \$8,000 TO ENDOWMENT

Students and Faculty Give Large Amount Toward Million Dollar Campaign.

It was announced at the Illinois Woman's college yesterday that the students and faculty of the college have pledged a total of \$8,123 in the big endowment campaign now on. There is now a total subscription of \$974,000 in the campaign to raise a million dollars by commencement time this year. There remains to be raised \$26,000 before June and if the most liberal and loyal support of the faculty and students can be taken as an indication, the amount will surely be subscribed.

The Illinois Woman's college has rapidly pushed its way into the forefront ranks of colleges and universities in the United States and this endowment will enable the college to take its place on an equal financial basis with other large schools in the country.

By June of this year the Illinois Woman's college will be an institution with an endowment of one million dollars.

Following is an approximate report of the amounts contributed by different classes and organizations of the school:

Faculty.....\$2,798
Senior Class.....2,000
Junior Class.....1,095
Sophomore Class.....743
Freshman Class.....1,294
Student Association.....50

AUTO ACCIDENT

Thursday evening Otis Johnson was taking home a load of members of the Rebekah lodge and attempting to turn a corner the steering wheel of his automobile broke and the machine plunged into the fence. Fortunately Mr. Johnson is a careful driver and was not going at a reckless speed which fact probably saved him from severe injury if not death. As it was none were hurt worth mentioning the it took good while to get help and the people landed at home.

Twenty-five High Schools are Entered for Sixth Illinois College Interscholastic Meet—The Weather Promises to be Perfect.

All is in readiness for the sixth annual Illinois College interscholastic track and field meet which will be run off on Illinois field this afternoon, beginning at 1:00 o'clock.

Twenty-five schools have entered teams and it is expected that some records will be broken before the afternoon is over. Weather conditions promise to be perfect if it will just warm up a little. A visit to Illinois field Friday afternoon revealed a track that looks to be lightning fast and the athletes will find all conditions favorable for setting new records.

Greenfield with Witt, her star dash man, arrived in the city last night. Witt set a new mark of 50 3-5 seconds for the 440 at White Hall Thursday. He will have some stiff competition as

ILLINOIS CLASHES WITH BRADLEY TODAY

Meets Peoria School in Dual Meet This Morning—Will Be Handicapped By Absence of Lashmet.

Illinois College clashes with Bradley of Peoria in a dual track and field meet on Illinois field this morning. The events will start at 10 o'clock which will give ample time to complete the card before the high school meet which starts at 1 o'clock.

Coach Harmon has had his men working hard all week. However, the Illinois squad will be handicapped by the absence of Lashmet, who was the victim of a brutal attack last Monday night and is still in the hospital. Lashmet is Harmon's mainstay in the sprints and hurdles and also a good running mate of Cully's in the broad jump. If he was in the contest supporters of Illinois would have little doubt as to the final result.

Harmon has been grooming Smith, Fanning and Cully for the sprints and hopes to make a creditable showing. Parrell will run in both the high and low hurdles. The men and the events they are entered in are given below:

100 yard dash—Henry Smith, Fanning, Cully.
220 yard dash—Henry, Smith, Fanning, Cully.
440 yard dash—Frazer, Rogers.
880 yard run—Frazer, Riley, Thomas Smith.
1 mile run—Weber, Green, Ebey.
120 hurdles—Farrell, Mellon.
220 hurdles—Cully, Farrell.
Pole vault—Thurman, Farrell.
High jump—Mellon, Henry.
Broad jump—Cully, Mellon.
Discus—Mellon, Reiss.
Shotput—Mellon, Burris.
Javelin—Riley, Mellon.
Relay—Frazer, Rogers, Weber, Riley, Henry Smith.

TO THE BOYS FROM "THE HILL"

We like your music boys
We love to hear you play
When you come serenading
Just across the way.

We like your music lads,
You play for sweethearts true;
It makes us very happy,
And then—we like you.

When 'neath the window, boys
By Luna's light you play
We wish you'd be enchanted
And never go away.

Mrs. SELCHERT'S DAUGHTER

Was Restored to Health by Lydia E. Pinkham's Vegetable Compound

Horicon, Wis.—"My young daughter had been troubled for several months with backache and a bad feeling in her stomach. She did not want to eat anything, while before she was so hungry she could hardly wait for her meals. The doctors gave her medicine, but it did not help her. One day I was reading a little book of yours and it reminded me that when I was a young girl I took several bottles of Lydia E. Pinkham's Vegetable Compound. So she went to the drug store and got a bottle, and after taking the second one she could eat and has not had backache since. In all she took six bottles of it. She goes to school and on Saturdays helps with the housework. She is a normal, healthy girl now and we recommend your medicine. You have my permission to publish this letter as a testimonial for the Vegetable Compound." —Mrs. FRANK SELCHERT, 160 Larabee St., Horicon, Wisconsin.

Mothers all over the country have found Lydia E. Pinkham's Vegetable Compound to be a most reliable remedy for such conditions.

The Appreciated Gift

For a graduation present there is nothing you could give that would be more appreciated than a Conklin Self Filling Fountain Pen. Every time we sell this pen we assure you that it gives us as much pleasure as it does the customer, for we have never been able to find a pen that gives such uniform satisfaction and high quality service as the Conklin does. \$2.50 to \$5.00. We have other makes of pens from \$1.50 to \$5.00.

PLEASANT EVENT AT WINCHESTER HOME

Mrs. Albert Hainsfurther and daughters entertain for Miss Madeleine Hainsfurther—Other Winchester News.

Winchester, May 13.—Mrs. Albert Hainsfurther and daughters, Misses Henrietta and Julia, entertained a company of friends Thursday afternoon at their home on North Main street in honor of Miss Madeleine Hainsfurther. All the appointments were such that it was a very delightful occasion. F. R. Waters received a message Friday afternoon telling of the death of Mrs. Thomas Rowen of Galesburg, at one time a resident of Winchester. The remains are expected to arrive in Winchester Monday afternoon and the funeral will be conducted from the Presbyterian church. No further particulars were received.

Mr. and Mrs. C. L. Leitze of Chapin are visiting relatives here for a few days.

The high school alumni association will hold the annual reception Saturday evening.

Mrs. Elizabeth Hawk, who has been ill at her home here, is now improving.

Miss Margaret Walsh of Alsey was a visitor here Friday.

Dr. E. B. Waters attended an osteopathic convention in Springfield Friday.

Mrs. Sarah Thomas is confined to her home by illness.

Mrs. Comstock Tells How Cuticura Healed Child's Eczema

"My little daughter had eczema when she was eighteen months old. The eruptions on her face were large and red and festered and scaled over with a black scale. There were small, watery places on her scalp which turned to a soft white scale. She was terribly disfigured and restless at night. I began using Cuticura Soap and it was a great help, but not until I began using Cuticura Ointment, together with the Cuticura Soap, did the eruptions entirely leave. She was healed." (Signed) Mrs. J. A. Comstock, 213 S. 13th St., Richmond, Ind.

Cuticura Soap to cleanse and purify, Cuticura Ointment to soothe and heal and Cuticura Talcum to powder and perfume are ideal for daily toilet purposes.

Sample Each Free by Mail. Address: "Cuticura Laboratories, Dept. H, Malden, Mass." Sold everywhere. Soap 25c, Ointment 15c and 66c. Talcum 5c. Cuticura Soap shears without mug.

FIVE HUNDRED MEMBERS FOR COMMERCE BODY

This is the Goal Set By Organization Directors — Essential Things Emphasized by Jarvis Price in Two Addresses

Yesterday, at Organization Headquarters, 305 East State street, Clover Leaf building, the preliminaries for the building of the team organization in connection with the drive for membership were begun at a meeting of the majors who will be in charge of this phase of the work. The majors have now turned in the list of captains almost complete. Within the next couple of days these men will be called to a meeting to finish the formation of the active force that will later on make the solicitation for memberships in the organization movement. The majors are E. A. Brennan, T. A. Chapin and L. F. Randall.

The goal, as set by the executive committee in the organization movement for a modern chamber of commerce, has been placed at five hundred. "With at least five hundred representative citizens coming from all groups and classes, Jacksonville can do anything within reasonable bounds," remarked a member of the executive committee yesterday.

Chamber of Commerce Essential. At the regular meeting of the Rotary club, at the New Pacific hotel, 12:15 yesterday, Jarvis Price, organization director of the American City Bureau, in a very enthusiastic manner placed before the group of men some of the outstanding essentials of a modern chamber of commerce. These are: (1) Teach the public to think. (2) Create a spirit of enterprise among its citizens. (3) Encourage the citizens to have faith in their own community. (4) Enjoy and practice the spirit of unselfish service. (5) Continue and develop the habit of giving. (6) Broaden and extend the spirit of co-operation.

The speaker pointed out that these essentials are to be realized through the development of leadership in the community. A significant statement was brought out when it was said that, Babson, president of the Babson Statistical Organization, had discovered by careful research that two per cent of the people did the real constructive thinking for the rest of the community. "If this is the case, surely the members of this organization of Rotarians should feel a keen obligation to help in this forward movement for the organization of a modern chamber of commerce for Jacksonville." The invitation extended to the members of the club to assist and get behind this project was favorably received.

The Larger Aspects of Life. High school students yesterday afternoon were addressed by Jarvis Price here in the interest of the organization movement of the chamber of commerce. The students were told that it might seem strange to them that business men should desire to get their viewpoint as students in this civic-commercial organization. Yet it was emphasized that the world is moving forward, that things are in a process of change, science and education is continually going forward. Thus chambers of commerce have become to realize that they must enter a broader field and must plan and think in larger terms than they used to do. Therefore chambers of commerce must necessarily deal with not only problems of commerce of a purely business nature but must be concerned with the larger aspects of human life such as civic

conditions, intelligent effort to help improve social problems, the fact that business is not a thing apart from life itself. The students were told further that they have a definite place in the development of the city and consequently they should have some opportunity to register what they think the chamber of commerce should undertake to make Jacksonville a better place in which to live.

FRENCH ESTATE FIGURES INTERESTING

Valuations Placed on Lands Vary From \$15 to \$600 Per Acre.

Some figures were presented yesterday from the inheritance tax report filed by Hugh Green, appraiser in the estate of the late Arthur L. French. The valuations from that report, made up from real estate, personal and chattel property, were as follows:

Real estate, \$126,701. Cash, bonds, etc., \$81,403.54. Chattel property, \$17,393.99. Total, \$225,498.53. The valuations fixed on the lands which Mr. French owned are in accordance with custom, supported by affidavits. The acreage values are of wide range. The land he owned described as the east half of the east half of 11-15-12 was valued at \$150 an acre, making a total for the tract of \$24,000. The valuation on a tract of 80 acres located in section 2-15-12, was given at \$500 an acre because of the quality of the land and the extent of the improvements.

Affidavits filed in connection with this tract gave a value range of \$425 to \$600 an acre. A valuation as fixed by the appraiser was as indicated, \$500 an acre, making the tract worth \$40,000. The valuation of a farm of 136.41 acres in 2-12-12 was fixed at \$225 an acre, making a total of \$44,333.15. The same valuation was placed on 38.67 acres in section 1-15-12, making a total of \$19,567.75. Twenty-five acres in 22-15-12, was given a valuation of \$1,200, while 240 acres located in sections 23 and 24 in 17-13, Cass county, was valued at \$15 an acre, making a total of \$3,600.

Mr. French owned two lots in Valier, a railroad town in southern Illinois, and these lots were valued at \$1,000 on the testimony of three property owners. Affidavits relative to Morgan and Cass county lands were signed by Louis Perib, C. S. Drake, T. U. Markham, Henry Perib, Charles P. Joy, Jeff Duckett and C. H. James. J. A. Elliott of this city was one of those who gave valuations on the property in Valier.

As before stated, the personal property in Mr. French's estate was valued at \$81,403.54 and the chattel property at \$17,393.99.

Ticket sale begins May 16th for the New York Philharmonic Orchestra Concert, on May 26, at the Grand Theatre. Box office open at 9 o'clock. Seats \$3.00, \$2.50, \$2.00, \$1.00.

ROTARY CLUB GIVES GOD SPEED TO MR. RILEY

President of Organization Soon to Sail for Edinburgh—Jarvis Price Told Rotarians Functions of Modern Chamber of Commerce.

At the Rotary club luncheon Friday members said farewell to President Vincent Riley, who is to leave next week for New York City on his way to the convention at Edinburgh. A toast to the departing Rotarian was offered by Supt. H. A. Perrin and Song Master Metcalf gave some improvised verses with Mr. Riley's name as a part of the chorus.

The address of the day was given by Jarvis Price, campaign director for the American City Bureau. The guest list of the day included Justice Floyd Thompson of the supreme court, Frank Kintler, Jacksonville; George Cowan, Waverly, Ind.; Arthur Hunt, Des Moines, A. L. Mayer, Decatur; D. L. McKinstry, Kankakee; J. W. Tobias, Springfield, M. R. McKinstry.

John S. Hackett read a letter received from Mr. Perrin, enclosing a check for \$247.45 as the returns from the opera recently given at the David Prince gymnasium. This with a previous check made the sum of \$497.76 raised thru the co-operation of public school officials for the Meredossia bay cottage.

A vote of thanks was heartily extended to Miss Lena Hopper, director of the play, Supt. Perrin, Principal Shafer and to various teachers and pupils connected with the program. Frank J. Heintz for the committee gave the camp schedule, showing that very few dates for the entire summer are now open.

In a very forceful address Mr. Price emphasized the thought that the chief function of a chamber of commerce is to teach the people of a community to think—that is, to understand things in their right relationships. He talked of the necessity for a broad spirit of unselfish service if there is to be real development. With co-operative effort, with faith and with citizens believing in each other, there is no trouble about growth and desired development.

Some further thoughts that Mr. Price emphasized are mentioned in another column. It was an address that Rotarians found thoughtful and worth while.

ELKS—IMPORTANT

Special meeting of the lodge called for Monday, May 16th at 7:30 P. M., to consider letting of ball room for private parties, furniture for new home, and other matters of importance. All interested Elks will be there.

AGENT FOR PHILHARMONIC ORCHESTRA HERE

The final arrangements for the coming of the New York Philharmonic orchestra, was in Jacksonville recently working out these details. It is unnecessary to say that the Philharmonic is one of the oldest musical organizations in the country and has no rivals. The tour which is now being made is a money making project as the expenses for each day run to a considerably larger amount than can be received thru the box office.

Jacksonville people are fortunate indeed in having an orchestra of such size and standing pay a visit to this city.

Social Events

S. S. Class Entertained

Members of the Northminster S. S. class taught by Miss Carrie Escorse were entertained by the young men of Mrs. Homer C. Ferreira's class at the home of Mrs. Ferreira northeast of the city Thursday evening. Manuel Souza met the young people at the church and took them out on a hayrack. The evening was spent with games and contests and proved very pleasant. Refreshments of ice cream and cake were served, after which the guests departed, all agreeing that it had been a very pleasant evening. The party was chaperoned by Dr. Spoonis and Mrs. William Bieher.

Gave Card Party

Mrs. T. S. Scott entertained a number of her friends yesterday afternoon at a charming card party given at the Colonial Inn. There were twelve tables and the afternoon was pleasantly spent playing. Very attractive refreshments were served late in the afternoon.

Entertained Friday Circle

Mrs. Virginia Vasey, entertained the members of the Friday Social circle yesterday afternoon at her home on West North street. A very enjoyable musical program was given. Mrs. Charles Hopper sang two songs "Rockin' in the Wind" by Neidlinger and "My Rosary for You" by E. R. Ball—Mrs. Vasey played a piano solo "Flute and Mandolin." A very clever guessing contest also furnished entertainment for the afternoon. There were several guests present at the meeting. The hosts served very delicious refreshments.

Entertained for Miss Dye

Miss Dorothy Magill entertained the Delta-Alpha class of Central Christian church, last evening at her home on South Mauvaister street. The affair was a miscellaneous shower in honor of Miss Beatrice Dye who is to be a June bride. There were about twenty guests present and the bride-to-be received many lovely gifts. A very delightful evening was spent and the hosts served delicious refreshments at a late hour.

Housekeeper's Class Entertained

Mrs. R. R. Stevenson was hostess to the members of the Housekeeper's class of Westminster church yesterday afternoon at her home on Prospect street. Mrs. Stevenson is the teacher of the class and this was a general get-together social meeting. There are fifty members in the class and there were a large number of them present yesterday. The afternoon was spent with games and guessing contests and during the afternoon the hostess passed attractive refreshments.

Brooks

Funeral services for Mrs. Thomas Brooks were held at the family home north east of the city at 2:30 o'clock Tuesday afternoon in charge of Rev. J. E. Curry of Waverly. Mrs. Brooks was a long time resident of Jacksonville and was so highly esteemed that the attendance of friends was very large. She was a member of the United Baptist church of Pisgah. She leaves to mourn their loss, her husband and eight children (two preceded her in death), and thirteen grandchildren, Mollie Mosley of Pisgah, Daisy Wood of Pisgah and Lela Seymour, Georgia, Clarabel, Leona Brooks, at home. She was united in marriage to Thomas Brooks, March 30, 1885.

She also leaves three sisters, one in California, one in Red Oak, Ia., and one in Jacksonville.

At the time of her death she was 54 years old. In the early part of the service Mrs. Walter Wood, Mr. and Mrs. George Beckman sang "Death is Only a Dream," and several other songs. The many beautiful flowers were in charge of Misses Ruth McDonald, Bernice Fernandes, Ethel Taylor. Interment occurred in Jacksonville cemetery, the bearers being Henry Taylor, Earl Bourn, G. McNutt, James McDonald, C. J. Stewart and Yuba Bunk.

ROAD CONDITION FACTS

Each morning now you will find along with the weather report in the Journal a brief summary as to the road conditions in central Illinois. These reports are collected at 10 o'clock and should be of value to automobile travelers.

READY FOR BUSINESS

A Jacksonville young man who has just returned from more than two years with the army of occupation in Germany, tells about the generally prosperous conditions there. That story gives further proof of the kind of competition that Germany is ready to put up in an effort to gain a full share of the world's commerce. It is no wonder that France and other of the allied nations insisted upon a strong curb for their German neighbor, realizing that the former empire was not nearly so much exhausted as some reports had indicated.

The Passavant Hospital Ladies' Aid society will give a market at the Jacksonville Plumbing company Saturday, May 21. All wishing to help this worthy cause please bring your donations Saturday morning, May 21st.

G. A. R. AND MEMORIAL DAY

There was a regular meeting of Matt Starr Post G. A. R., yesterday in the I. O. O. F. hall on East State street. There was a good attendance but the sight of the venerable members was a bit pathetic. Aged, grey haired many bowed and none very strong. Commander John A. Schaub has been ill for some time and was out yesterday by sheer force of will.

The matter of Decoration Day was brought up. The invitation of Rev. T. H. Tull to attend memorial services at Grace church the Sunday before Decoration Day was accepted.

Comrades S. W. Nichols, L. Goheen, John Minter and Frank Wigninost were named a committee in charge of Decoration Day exercises.

DONALD CATLIN MOVED

Donald C. Catlin, who is becoming prominent among the financiers of the great nation's metropolis, has moved his office to No. 15 Broad street. His suite is on the ninth floor and his specialty is securities. He is one of the many Jacksonville young men who have made good and his friends rejoice in his success.

FATHER OF RED CROSS SECRETARY DIES

Mention was made yesterday that Miss Clara Arthur, Red Cross secretary, had gone to Ft. Dodge, Iowa, because of the illness of her father. A message yesterday brought the news of Mr. Arthur's death.

Funerals

Seymour.

The funeral of Mrs. Jarrett Seymour was held yesterday morning at Providence church, west of Franklin. The services were in charge of the Rev. M. L. Pontius of this city.

Music for the services was furnished by the following, Mrs. J. W. Roberts, Mrs. Charles Christwell, Mrs. William Douglas, Miss Grace Roberts and Mrs. Lawrence Smith, who accompanied the singers.

The flowers were cared for by granddaughters of the deceased, Myrtle, Emma and Hilda Seymour and A. G. Vieira.

The bearers were all grandsons of the late Mrs. Seymour: Fletcher, Ross and Earl Seymour, Edgar and Fred Spires and Lester Leake.

Interment was made in the church cemetery.

KNIGHTS OF PYTHIAS HAD MANY GUESTS

Reception Last Night Proved Enjoyable Event—Club Rooms Are Attractive.

The reception given at the Knights of Pythias rooms last night drew a large company. There were hundreds of Pythians present and the Knights, together with their families, made up a great throng. It was an entirely informal occasion and all present thoroughly enjoyed the genuine hospitality.

Visitors found the club rooms attractively furnished and commodious and the arrangements all of a kind to make for the convenience and comfort of lodge members. Not only the club rooms but the main lodge quarters were open for this occasion.

Fred Goodrick's orchestra furnished music and dancing began at 8:30 and continued until 12 o'clock. The program of music was one which gave great pleasure not only to those who danced but to all others in the company as well. The hall was beautifully decorated with flowers.

The joint committee which arranged for this occasion included From Favorite Lodge No. 376—J. K. C. Pierson, J. F. Claus, George Brown, John J. Reeve, Jewell E. Scott.

Jacksonville Lodge No. 152—B. C. Lair, John Seibert, C. J. Buhrer, LeRoy Potter and James I. Graham.
